## RISK MANAGEMENT

**Welcome to YFC's Online Abuse Prevention Training for Employees**, the instructions from Praesidium on the following page will get you started, with directions to log in and access the training. Thank you for taking the time to seriously consider this issue and honor our responsibility for the safety of every young person in YFC.

As you follow the instruction, you will see you need to enter the following registration code to log in: **yfc-lakes**. Once you enter the code, you will be able to select your chapter from a drop-down box (**Greater Cleveland Youth for Christ**) to complete your signup.

Upon logging in, you should see a welcome message from Dan Wolgemuth and the training course listed that must be completed. This is serious material containing very helpful information in a format including personal interviews with both abusers and victims of abuse. You might find it a little difficult to watch, and we all wish we didn't have to think about these issues. However, given the times we live in and the culture we work in, we have to face these issues preemptively and head-on if we're going to take seriously our responsibility to protect kids. The required courses for employees are:

### **Meet Sam**

Sam molests children and in this module he tells you how he gets away with it. You will learn the types of molesters and the methods they use to manipulate their coworkers, parents, and children-all to meet their own needs. You also learn how to spot interactions between adults and children that may indicate danger.

### **It Happened to Me**

Temper outbursts. Failing grades. Depression. Suicide. These are just a few of the effects of sexual abuse. In this module, you hear children and adults describe the devastating effects abuse had on their lives. You learn about the prevalence of abuse and specific characteristics that may put some children at higher risk of abuse.

**The Abuse Prevention Refresher will need be completed yearly or at the discretion of the Leadership Team.**

If you encounter problems logging in or need further assistance, Praesidium's technical support team is ready to assist you. Contact them at [support@praesidiuminc.com](mailto:support@praesidiuminc.com) or 817-801-7773.

**Welcome to Armatus!** We have developed some helpful hints to ensure you retain what you learn. To complete the training you will need: a computer with Internet access, audio connection, scrap paper, inkpen or pencil & access to a printer. Good luck and enjoy your courses.

### 1. Right Place, Right Time

Set the right conditions for learning. Create an environment with no interruptions, no phone calls, and no distractions – simple as that. Set aside 30 – 45 minutes for each course so you don't have to hurry.

### 2. Take your Time

Have patience and take your time. Read carefully to make sure you fully understand the content. Instead of rushing through the training, plan to complete only one or two courses each time you login so you can really absorb what you've learned. Complete each course from beginning to end. If you stop a course before you finish it, you'll have to start over at the beginning of the section where you left off.

### 3. Follow the Orange Arrows

When it's time to move to the next page, an orange arrow will appear. Click on the orange arrow to move forward. Do not use your Internet browser's forward and back arrows or refresh buttons, or you'll find yourself back at the beginning of the course!

### 4. Think about It

Lastly, pause and think about what you are learning. Throughout the course, think about how you can apply what you are learning to your own position. We know that with proper concentration you can understand and apply what you learn. When you pass the quiz at the end of the course you'll earn credit and a printable certificate.

### 5. Enroll and Begin Training

## **BACKGROUND CHECK**

In order to comply with the Youth for Christ National Service Center, we will now be completing background checks with **Praesidium**, a national background screening company. Bureau of Criminal Investigation and Identification (BCI) and Federal Bureau of Investigation (FBI) background checks will still be required of all persons present in the Cleveland Municipal School District (CMSD), working with students. Please ask your YFC/CL staff member if you need the BCI/FBI in addition to the **Praesidium Background Check**.

Upon receipt of your completed application, you will receive an email from Praesidium, Inc. that will include a link to complete your background check. Please be sure to complete **ALL** lines and spaces that are highlighted and read all questions carefully. At the end, you will be prompted to provide a digital signature.

By law we are required to provide you with 'A Summary of Your Rights Under the Fair Credit Reporting Act', although we will not be gathering consumer credit information. In order to work with students, the information that we will be gathering will be: Criminal Searches and Sex Offender Searches.
